Nesf Posht

He plays few balls which the players who receive. And generally when the ball come from one play Jolo

He do many tips. Our pos 1 and 5 must be ready to defence his tips.

Normally with reception in 2 near the net play long side but with reception + in 2 one step far the net play more short side especially when he call boride. with reception + in 4 he play more sorati and back especially if he call boride.
